Why Join Us?

The **Siemens & Westinghouse Retirees Association** (SWRA) is made up of members who have retired, or are about to retire, from the businesses of Siemens and Westinghouse. The objective is to stay connected and to help each other in the next phase of our career / life. We currently have over 200 members.

We have our own website.

Our SWRA website was established to facilitate communication and to provide information of benefit and interest to our members. <http://www.siemenswestinghouseretirees.org/>

We have Activities & Info to help you stay connected.

- **General meetings** are held on the second Tuesday of January, April, July and October at 9:30 AM in the cafeteria of the Siemens' Quad 2 building, unless otherwise announced. Meetings usually feature a speaker who covers various topics of interest to the membership. Also included are updates of Association activities and reports on the financials.
- **Newsletter** - A newsletter is published periodically and sent to each member. It features items of interest to members and highlights of recent and upcoming events.
- **Social Events** - Throughout the year we have a variety of social activities - dinners, theater events, concerts, picnics, tours, special topic meetings and much more! Some are even free and more than cover the small annual dues! *[see website to see what we have done or planning and other information of interest, including presentations from past general meetings]*
- **Private Facebook page** – We have a private page for the SWRA members with all sorts of good info and news. You must be an SWRA member to have access.
[Once on Facebook, simply type "Siemens Westinghouse Retirees" in the Facebook search box. Then, click on the search result with the group's name. Now make the request to join by clicking on the "join" box. Once one of the SWRA administrators authorizes, you will have access]
